Parks & Recreation Department Refund Request Form

Newington Parks and Recreation strives to provide excellent customer service and we make all attempts to provide high quality programs. All of our programs are intended to be self-supporting, and we must meet minimum enrollment numbers in order for a program to run. We depend on the revenue from program fees to pay our instructors, order supplies, etc.

No refunds will be given after a participant has registered and paid for a program, except for medical reasons (illness or injury) which prohibit active participation in the program. Refund requests for medical reasons must be submitted to the Parks and Recreation Department and must be accompanied by a note from the participant's physician.

This form should be submitted as soon as possible as we cannot issue refunds for classes missed before a refund is requested. If a refund is granted for a medical reason accompanied by a physician's note, the amount will be pro-rated to reflect the number of classes remaining after the refund request form is received. A \$20.00 processing fee will also be deducted from any refund issued. Please allow up to five days for the processing of your refund request.
